The Hillsboro School District Requests proposals from qualified construction management firms interested in providing owner's representative services to assist the District in planning, subcontracting, overseeing, and implementing construction projects to be funded by the bond levy of \$430 million, assuming passage by voters in November of 2026.

The scope of this bond includes projects in six main program areas:

- buildings and systems (e.g. roofing, HVAC, lighting)
- safety and security (e.g. doors and locks, fencing, cameras)

- other needed projects (e.g. school kitchen remodels, bus purchases, print shop equipment installation).

Bond work will be spread across four to five years (2027 to 2030 or 2031) to maximize availability of contractors and the clustering of like projects, while minimizing both cost and disruption to schools.

Proposals will be received no later than 2:00 PM PST, **August 24, 2026, 2026** at:

Hillsboro School District 1J
Attn: Saideh Haghighi Khochkou, Operations Officer

SECTION 1 GENERAL INFORMATION

1.1 INTRODUCTION

The Hillsboro School District serves approximately 18,000 students in 27 elementary schools, 4 middle schools, 4 high schools, and two alternative schools. The District underwent a facilities assessment by the Oregon Department of Education in 2025. The District convened a Bond Development Committee in the 2025-26 school year to develop a prioritized list of projects, which they then recommended to the School Board. The Board has approved a November bond election.

The District is putting a Bond Measure on the ballot to be voted on in November 2026. The bond measure will pay for approximately \$430 million worth of projects spread across district facilities. The District anticipates receiving an additional \$6,000,000 OSCIM Grant through the Oregon School Capital Improvement Match Grant program. Continuation of services under any contract awarded under this RFP is contingent on the passage of the Bond Measure or the District's ability to secure other funding sources.

The District is seeking to hire an experienced construction management/owner's representative organization to be funded by the upcoming bond revenues and other sources as they are available.

There is no pre-proposal conference for this RFP.

law. Pursuant to ORS 279C.107, the District need not open proposals for public inspection until after execution of the contract(s) awarded under this section. Thereafter, the District will not disclose records submitted by a Proposer that are exempt from disclosure under the Oregon Public Records Law, subject to the following procedures and limitations:

The Proposer must mark all proposal pages containing the records it has determined as confidential under Oregon Public Records Law and must segregate those pages in the following manner:

- (a) Such pages must be clearly marked “Confidential” on each page of the confidential document.
- (b) Proposer must separate confidential pages from its other proposal pages by providing the confidential pages to the District in a separate email file attachment.
- (c) In its proposal, Proposer must cite the specific statutory exemption in Oregon Public Records Law exempting such pages from disclosure.
- (d) Subsections (a) and (b) above will prevail in the event these provisions conflict with formatting or response instructions elsewhere in this document.
- (e) Proposers may not mark an entire proposal confidential. Should a proposal be submitted in this manner, the District will hold no portion of the proposal as confidential, unless such a portion is segregated as required under subsection (b) above and is determined exempt from Oregon Public Records Law.

Notwithstanding the above procedures, the District reserves the right to disclose information that the District determines, in its sole discretion, is not exempt from disclosure or that the District is directed to disclose by the Washington County District Attorney or a court of competent jurisdiction. Prior to disclosing such information, the District will make reasonable attempts to notify the Proposer of the pending disclosure.

3.4 EVALUATION PROCESS

A. Responsiveness and Responsibility Determination

Proposals will be reviewed for Responsiveness to all RFP requirements, including timely submission, compliance with Minimum Requirements and Proposal Content Requirements. If the Proposal is unclear, the SPC reserves the right to request clarification from Proposer. However, clarifications may not be used to rehabilitate a non-Responsive Proposal. If the SPC finds the Proposal non-Responsive, the Proposal may be rejected, however, the District may waive or permit a Proposer to correct a minor informality. A minor informality is a matter of form rather than substance that is evident on the face of the Offer, or an insignificant mistake that can be waived or corrected without prejudice to other Offerors. The District may correct a clerical error if it is evident on the face of the Proposal or other documents submitted with the Proposal, and the Proposer confirms the District’s correction in writing.

At any time prior to award, the District may reject a Proposer found to be not Responsible.

C. Evaluation Criteria

Proposals will be evaluated by an Evaluation Committee. Each evaluator will independently evaluate and score proposals in accordance with the Evaluation Criteria. The District will average the written proposal scores per category and then sum the category averages for a total written evaluation score for each proposal. The Evaluation Committee will determine which

Proposal or Proposals taken as a whole, and in the District sole judgment, are in the best interest of the organization. Proposals should address the evaluation criteria listed below.

The SPC may request further clarification to assist the Evaluation Committee in gaining additional understanding of Proposals. A response to a clarification request must be to clarify or explain portions of the already submitted Proposal and may not contain new information not included in the original Proposal.

	EVALUATION CRITERIA	Points
1	Cover Letter	Pass/Fail
2	Firm Background	10
3	K-12 Experience / Past Performance	25
4	Staffing Plan	15
6	Cost	25
7	Approach/Methodology	30
8	Other Services/Qualifications	15
	TOTAL	120

D. Selection Process

After scoring the written Proposals, the Evaluation Committee may conduct interviews with up to three of the top-ranked Proposers if the Evaluation Committee determines that interviews are necessary or desirable in its sole determination.

If interviews are conducted, the Evaluation Committee will re-score each interviewing Proposer's Proposal on the basis of the interview. The District will average the proposal scores per category and then sum the category averages for a total interview score for each Proposal. The re-scored Proposal/interview score will be the final score for each Proposer invited to interview.

After evaluation, and interviews if conducted, the Evaluation Committee will recommend one finalist to the District's Board of Directors for consideration of award. The contract award will be entirely at the discretion of the District. The District reserves the right to reject any and all proposals.

End of Section 3

SECTION 4 AWARD AND NEGOTIATION

4.1 AWARD NOTIFICATION PROCESS

A. Intent to Award Notice

The District, if it awards a contract, intends to award a single contract to the highest ranking Responsible and Responsive Proposer based upon the evaluation criteria described in Section 3. The District may award less than the full scope defined in this RFP. The District will notify all Proposers in writing of its intent to award a contract to the selected Proposer subject to successful negotiation of any negotiable provisions.

All Proposers should thoroughly review and familiarize themselves with the Sample Contract included as Attachment C. The successful Proposer will be expected to execute a contract in substantially the same form as the Sample Contract.

B. Protest of Notice of Intent to Award

An affected Proposer shall have seven (7) calendar days from the date of the intent to award notice to file a written protest meeting all applicable requirements as set forth in OAR 137-048-0240(2).

Protests must be delivered to the SPC via email or hardcopy, reference the RFP name, identify the Proposer's name and contact information, be signed by an authorized representative, and specify the grounds for the protest. A Proposer submitting a protest must claim that the protesting Proposer is the highest ranked Proposer because the Proposals of all higher ranked Proposers failed to meet the requirements of the RFP or because the higher ranked Proposers otherwise are not qualified to perform the services described in this RFP. The District will address all timely submitted protests within a reasonable time and will issue a written decision to the respective Proposer. Protests that could have been submitted as Solicitation Protests under 3.3(C) will be considered untimely and will be rejected as such.

4.2 APPARENT SUCCESSFUL PROPOSER SUBMISSION REQUIREMENTS

A. Insurance

Prior to the execution of the Contract, the apparent successful Proposer shall secure and demonstrate to the District proof of insurance coverage meeting the requirements identified in the Sample Contract or as otherwise negotiated.

B. Taxpayer Identification Number

The apparent successful Proposer shall provide its Taxpayer Identification Number (TIN) and backup withholding status on a completed W-9 form. District will not make any payment until a properly completed W-9 form is received.

C. Contract Negotiation

The District reserves the right to negotiate a final Contract that is in the District's best interest. After selection of a successful Proposer, the District may negotiate the statement of work, pricing, methods of payment, inclusive of additional services. If an agreement cannot be reached, the District may open negotiations with the next ranked Proposer.

By submitting a Proposal, the Proposer agrees to comply with the requirements of the RFP.

End of Section 4

The District is not liable to any Proposer for any loss or expense caused by or resulting from the delay, suspension, or cancellation of the RFP, award, or rejection of any Proposal.

5.4 COST OF PROPOSAL

Proposer shall pay all the costs in submitting its Proposal, including, but not limited to, the costs to prepare and submit the Proposal, costs of samples and other supporting materials, costs to participate in demonstrations, or costs associated with protests.
